

food culture!

Let's enjoy Japan's everyday ラーメン / カツ丼!

"Ramen"

① Ramen Specialty Shop ① Izakaya 'Ramen' available

Many ramen specialty shops exclusively offer ramen on their menu, emphasizing the unique flavors and distinctive features that are specific to that particular establishment.

① Machi-chuka ① Machi-chuka 'Katsudon' available

A local establishment offering reasonably priced and affordable Chinese cuisine rooted in the community. It serves as a commonplace for everyday Japanese meals, not only specializing in ramen but also offering rice bowls, set meals, and serving as a place for enjoying drinks.

① Restaurant 'Katsudon' available

One of the beloved comfort foods among the Japanese people. It involves simmering onions and pork cutlet in a broth made with soy sauce, sake, mirin, and combining it with beaten egg, then serving the mixture over rice. When you enter a restaurant, don't hesitate to order 'Katsudon' without any doubt!

"Katsudon"

If you want to eat Katsudon, please point to this spot and show it to the staff. It is written in Japanese to request Katsudon.
